"Good morning it is FedEx calling back re: waybill # 770250953438 shipment from your location on 13 of September 13 going to Wetherby, Great Britain. Our driver has advised that the recipient has moved with no forwarding information. Please contact us 1-800-463-3339 or 1-800-gofedex to provide alternate delivery arrangements. Unfortunately the shipment will be held in our location in Great Britain until end of day on the 22nd of September.
